

RESUME

Name: C.Parthiban

Phone: 8754731371

Email: parthiban11072006@gmail.com

Location: Thoothukudi, Tamil Nadu

Career Objective

Motivated Computer Science Engineering student with strong interest in frontend development. Skilled in JavaScript and building responsive web applications. Seeking an internship opportunity to apply my skills and gain real-world experience.

Education

B.E Computer Science Engineering

St. Mother Theresa Engineering College

3rd Year (Expected Graduation: 2027)

Skills

JavaScript, HTML, CSS

VS Code, GitHub

DOM Manipulation, API Integration, Responsive Design

Projects

Weather App (Live Project)

Developed a responsive weather application using JavaScript. Integrated real-time weather API and displays current weather conditions dynamically.

Live Demo: <https://parthiban11072006-pixel.github.io/weather-app/>

Interactive Counter App (Live Project)

Built an interactive counter using JavaScript with increment, decrement, and reset functionality using DOM manipulation.

Live Demo: <https://parthiban11072006-pixel.github.io/interactive-counter-app/>

Strengths

Quick learner, Problem-solving mindset, Passionate about frontend development

Declaration

I hereby declare that the above information is true to the best of my knowledge.

Date :31/03/2026

Place : Thoothukudi

Yours Faithfully,
